## Carry Concealed Deadly Weapon Permit Information

Paperwork will be handed out during class and explained. We recommend waiting until then to begin the CCDW process.

### The State of Delaware requires the following:

- A CCDW class that includes firearm training with a minimum 100 round range shooting exercise led by a certified instructor.
- Fingerprinting that can be done at DSP Troop 4 or the SBI in Dover. Fingerprints have a time limit so should be done last. Troop 4 is by appointment only (302)739-2528 and Dover is walk-in only.
- A one day ad in a local newspaper approved by the Prothonotary office. Kent and Sussex county residents can use The Guide – (302) 629-5060
- Five (5) reference forms completed by non-related adults living in the same county as the applicant.
- Two (2) 1½” x by 1½” passport-style photographs. The Rite-Aid in Georgetown can do these.
